Supplement to The Paper Industry, April, 1921

THE PAPER INDUSTRY

INDEX TO VOLUME TWO

APRIL, 1920—MARCH, 1921

ASSOCIATIONS

Address by President George W. Sisson, Jr.....Nov. 1175

Convention of the Canadian Pulp and Paper Association .....Feb. 1709

Convention of the Cost Association of the Paper Industry .....Oct. 1031

Cost Association Meeting.....May 318

Dr. Baker Addresses Cost Association.....Jan. 1579

Fall Meeting of the Salesmen's Association of the Paper Industry.....Oct. 1021

Fall Meeting of the Technical Association of the P. and P. Industry.....Sept. 827

First Annual Convention of the American Pulp and Paper Mill Superintendents' Association....June 403

Forty-third Annual Convention of the A. P. P. A....April 77

History of the Michigan Div. of the Am. P. & P. M. S. A.....April 130

Kalamazoo Cost Convention.....Dec. 1430

Kalamazoo Cost Meeting.....June 474

Kalamazoo Cost Meeting.....Nov. 1270

Kalamazoo Superintendents' Meeting.....Oct. 997

Meeting of American Chemical Society.....Sept. 874

Meeting of the Northeastern Division A. P. P. M. S. A.....Sept. 902

Meeting of Northern New York Cost Division.....Mar. 1885

Michigan Division Meeting.....Nov. 1272

Michigan Div. of the A. P. P. M. S. A.....Dec. 1430

Mid-West Salesmen's Meeting.....June 474

New Local Div. of the Cost Association, A.....Mar. 1883

News Print Service Bureau Meeting.....Nov. 1268

Ninth Annual Safety Congress.....Oct. 1039

Northwestern Div. Meeting Superintendents' Association .....May 316

Paper Convocation Week.....Nov. 1215

Salesman's Association of the Paper Industry; Articles of Association.....Apr. 113

Sixth National Exhibition Chemical Industries.....Oct. 1009

Some Addresses Delivered Before the Fall Conference .....Dec. 1401

Technical Association Activities.....Nov. 1274

Western Meeting of Paper Salesmen.....July 616

Wisconsin Div. of the Cost Association Meeting.....Feb. 1741

COSTS

Box Board Costs, E. G. Clarke.....Mar. 1848

COSTS (Continued)

Common Sense Applied to Paper Mill Costs, Charles H. Martin.....Apr. 127

Cost Accounting from an Executive's Standpoint, Henry D. Schmidt.....Dec. 1399

Cost Accounting Fundamentals, B. E. Hutchinson....Feb. 1694

Cost Association and Business Depression, T. J. Burke, C. A.....Feb. 1655

Costs in Woods Operation, D. A. Crocker.....Dec. 1372

Cost System and Executive, Col. B. A. Franklin.....Oct. 998

Distribution of Overhead Expense, Prof. F. H. Elwell .....June 415

From the Outside Looking In, Freas B. Snyder.....July 565

Index Numbers of Paper Production Costs, George A. Galliver.....Apr. 105

Installing and Operating a Cost System in a Coating Plant, Harry C. Bradford.....Aug. 712

Perpetual Inventory or Material Ledger, Harry C. Bradford .....Feb. 1704

Proper Duties of the Cost Accountant, The, John Balch.....Nov. 1182

EDITORIALS

An Army of Invasion, R. L. S.....Mar. 1807

Birth and Growth of an Idea, The.....May 217

Business Outlook, The.....Jan. 1483

Business Trend Upward.....Mar. 1801

Cause of H. C. L., The.....July 533

Closed Hand Cannot Receive Anything, A.....Apr. 13

Central States Forestry Conference, The.....Mar. 1795

Coal Is King!.....Sept. 805

Coal Storage or Coal Shortage?.....June 363

Don't Be a Bear on the Paper Market.....Dec. 1337

Economic Declaration, The.....Apr. 17

Every Man, R. L. S.....Nov. 1139

Everyman's Interest Is Everyman's Business.....Jan. 1489

Fire and Accident Prevention Day.....Sept. 817

First Industry, The.....July 533

Get Busy Now or Shut Down Later.....June 375

Goodwill .....Apr. 9

Great Safety Movement, The.....Sept. 793

Harbinger of Prosperity, The.....June 369

How Long Is It Possible to Delay Repairs?.....June 369

Merry Christmas, A.....Dec. 1321

Necessity of Advertising.....July 515

Next President an Editor.....July 515

No Impending Market Changes.....Oct. 957

INDEX TO VOLUME TWO, THE PAPER INDUSTRY

EDITORIALS (Continued)

Opportunity Plus Industry, R. L. S.....Feb. 1649

Paper Vases, R. L. S.....Dec. 1327
Prices Must Advance.....Apr. 21
Procure Your Coal Now.....Aug. 671
Prosperity Ahead for Hard and Honest Workers.....Jan. 1495
Pulp Used in U. S. and a Tariff on Pulp.....Feb. 1643

Recommendation to the Fall Conference, A.....Nov. 1121
Reforestation.....Aug. 665

Shaking Hands with the Public.....Oct. 945
Stagnant Paper Market, A.....May 229
Stop the Wanton Waste.....Aug. 677

Technical Man, The.....Aug. 659
$300.00 for an Article.....Sept. 799
Truth in Advertising, The.....Oct. 1080

Wages and Production.....July 527
When Is the Best Time to Advertise?.....Jan. 1501
Who's Your Watchman?.....Sept. 817
Whose Problem Is It?.....July 521
Why Advertise When Behind on Deliveries?.....Aug. 677
Will Paper Prices Decline This Winter?.....Sept. 811

FORESTRY

Future Developments in Pulp Wood Operations, Ellwood Wilson.....Nov. 1193

Next Steps in Forestry Program, Prepared by the Committee on Forest Conservation, A. P. P. A...May 282

Progress in Forestry Program.....Mar. 1877
Progress on National Forestry Program.....Feb. 1733

Raw Material in Paper Manufacture, Dr. Hugh P. Baker.....Nov. 1183

Snell Forestry Bill, The.....Jan. 1575
Some Problems of the Pulp and Paper Industry, D. C. Everest.....Aug. 700
Suggestions for a National Forestry Policy, Report of Committee on Forestry Conservation of the A. P. P. A.....Apr. 91

INDUSTRIAL BETTERMENT

Address Before the Illinois Constitutional Convention, April 14, 1920, Charles Piez.....May 287

Daylighting the Paper Mill, G. A. Kahn.....Aug. 707

Finding the Employee, Philip C. Pack.....Mar. 1875

How to Eliminate Condensation in the Paper Mill, H. F. Smith, C. E.....Mar. 1835

Lighting for Profit, J. R. Colville.....Apr. 117

Painter Gun Cuts Cost, R. C. Rudolph.....Dec. 1390
Painting the Mill Interior in the Modern Way, R. D. Waltz.....Mar. 1873

Ventilation of Paper Mill Machine Rooms, H. S. Taylor.....Feb. 1699
Vocational Education Committee, Fifth Progress Report, R. S. Kellogg.....Apr. 126

MANUFACTURE OF PAPER
(Chemical Process)

An Automatic Cooking Control for Chemical Pulp, C. H. Allen.....Sept. 855
Ascertaining the Correct Amount of Rosin and Alum Used, Harry C. Bradford.....Oct. 986

MANUFACTURE OF PAPER (Continued)

Automatic Control of Papermill Processes, P. E. Edelman.....Sept. 860

Best Method of Titrating Bleach.....Aug. 715
Black Liquor Recovery Process, The, G. F. Enderlein.....Apr. 101

Casein, Harry C. Bradford.....June 435
Chemistry of Bleaching, The, E. G. Milham, Chem. Eng.....May 272
Curtailing Bleach Consumption by Adding Sulphur to Digester Liquor, George K. Spence.....Aug. 856

Dyeing Paper, Paul De Guehery.....Feb. 1683

Extracting Soda Salts from Black Ash, George M. Trostel.....Jan. 1563

Fuel from Sulphite Liquor, George Baraky and Ralph H. McKee.....Apr. 124
Future of Acid Making, The, O. L. Berger.....June 425

Glarimeter, an Instrument for Measuring the Finish of Paper, The, L. R. Ingersoll.....Mar. 1846

Manufacture of Blotting Paper, B. K. Steadman, Ch..July 586

New American Clay for Loading Paper, A.....Mar. 1847
Notes on Bleach and Bleaching, Frank D. Libby, Chem. Eng.....Mar. 1853

Pulping of Second Cut Cotton Linters, Otto Kress and Sidney D. Wells.....June 431

Reclaiming of Acid, O. L Berger.....Nov. 1213
Recovery of Waste Roofing Felt, The, Otto Kress and L. F. Hawley.....Dec. 1387

Scientific Control in the Paper Mill, E. G. Milham, Chem. Eng.....Nov. 1196
Selection and Testing of Alum for Papermaking, The, E. G. Milham, Chem. Eng.....July 557
Selection and Testing of Paper Fillers, E. G. Milham, Chem. Eng.....Dec. 1375
Selection and Testing of Rosin Size, E. G. Milham, Chem. Eng.....Sept. 849
Specifications for Quicklime and Hydrated Lime for Use in Cooking Rags, Dept. of Commerce....Aug. 698
Substitutes for Alum in Sizing Paper, W. E. Byron Baker.....Dec. 1383

Testing of Sulfite Pulps, The, E. G. Milham, Chem. Eng.....Mar. 1837

Unbleached Pulp Satisfactory for Nitration.....Jan. 1573
Uniformity of Digester Chip Charges.....Mar. 1840

MANUFACTURE OF PAPER
(Handling Material)

Auto Truck in the Paper Industry, The, Illustration.....Apr. 128

Handling and Costing Raw Materials in the Manufacture of Paper, F. C. Clark.....May 260
Handling and Costing Raw Materials in the Manufacture of Paper, M. M. Kiley.....June 437
Handling and Costing Raw Materials in the Manufacture of Paper, H. R. Harrison.....July 581

Motor Trucks in the Paper Industry, J. W. Spaulding.....May 290

New Locomotive Crane, A.....Jan. 1569
New Rapid and Economical Loader, John A. Goetz.....June 446

One Man Does Twice the Work of Four, C. W. Garrison.....Sept. 858

Paper Handling Product, C. B. Cook.....Nov. 1204
Passing of "Old Dobbin," The, J. W. Spaulding....Sept. 847

INDEX TO VOLUME TWO, THE PAPER INDUSTRY

MANUFACTURE OF PAPER (Continued)

Reduce Trucking Costs....Aug. 722

Saving in Handling Pulp, A....Apr. 132

MANUFACTURE OF PAPER
(Mechanical Process)

An Automatic Continuous Mixing System for Paper Stock, Edward J. Trimbey....Sept. 833

An Improved Paper Machine Drive....Jan. 1541

Beater Tender's Duties in a Box Board Mill, Richard Clayton....Oct. 1002

Better Grades of Straw Board, Richard Clayton....Jan. 1540

Container Box Board, Henry Bert....July 568

Continuous Filtration of Lime Mud in the Manufacture of Caustic Soda, H. A. Morrison....Feb. 1677

Duties of a Backtender in a Box Board Mill, The, Richard Clayton....Sept. 852

Duties of Maintenance Men in Box Board Mills, Richard Clayton....Nov. 1178

Good Rotary Knife Grinder, A....Nov. 1246

Grinder Room Efficiency; Changing the Pulp Stone, W. A. Munro....Feb. 1697

Grinding of Wood Infected by Fungi, W. A. Munro..July 564

Jordan and Beater in Papermaking, Max Zimmerman..Apr. 94

Machine and Beater Room Organization....Aug. 695

Machine Tender's Duties in a Box Board Mill, A, Richard Clayton....Aug. 715

Manufacture of Jute Liner and Container, John Pfister....July 570

More About the "Niagara"....Aug. 746

New Felt Cleaning Device, C. A. Woodcock....Sept. 839

New Type of Beating Engine, W. H. Burns....June 448

Packing Cases for Export, J. B. Frear....May 292

Paper Machinery, Its Development and Latest Improvements, C. T. Ramsden....May 276

Revolution in Paper Machine Drive, Stephen A. Staege....July 590

Speed Inter-Lock as Applied to the Paper Machine, F. G. Warburton....Feb. 1656

Standard Container Board, A, Charles E. Raney....Nov. 1209

Used Felt Problem, The....Oct. 1048

MANUFACTURE OF PAPER
(Power Plant)

Advantages of Autogenous Welding and Cutting in the Paper Industry, The, J. H. Osborne....June 420

Advantages of Superheated Steam, Albert W. Stephenson....June 421

Air Leaks, W. F. Schaphorst, M. E....June 450

An Improved Paper Machine Drive....Jan. 1541

An Oil Separator....July 592

Avoid the Idler Pulley, W. F. Schaphorst....Oct. 1048

Care of Elec. Equip. in Paper and Pulp Mills, William D. Kurz....Apr. 115

Clean Tubes Cheap Steam....Sept. 872

Coal and Its Selection, Robert June, M. E....Apr. 125

Coal Problem, The, L. Romanski....Oct. 994

Coal Production Table....Aug. 705

Combustion Losses and Their Minimization, Robert June, M. E....May 279

Concrete Ash Tank, A....July 592

Efficiency Means Comfort....Dec. 1397

Electric Water Heater for Utilization of Surplus Hydro-Electric Power, H. A. Winne....July 572

MANUFACTURE OF PAPER (Continued)

Fuel Economy and Power Plant Control, F. A. Moreland, Comb. Eng....May 265

Good Strainer, A....Aug. 728

Handy Rule for Determining the Percentage of Belt Slip, W. F. Schaphorst, M. E....June 442

How Much Is 150,000,000 Tons? W. F. Schaphorst, M. E....Nov. 1246

How Much Lubricant Does Engine Need? W. F. Schaphorst, M. E....June 440

How to Make Pipe Bushings Out of Standard Pipe....Jan. 1573

How to Prevent Generator and Motor Troubles in Paper and Pulp Mills, Wm. D. Kurz....July 575

How to Take Care of Belt Stretch in Vertical Belts, W. F. Schaphorst, M. E....May 296

Is Lime a Belt Treatment? W. F. Schaphorst, M. E....June 442

New Method of Heating Buildings, F. C. Farnsworth....June 444

Packing Troubles, W. F. Schaphorst, M. E....June 442

Power House Instruments, Tellander Harger....June 429

Power Plant Management, Robert June, M. E.
- Coal and Ash Handling Equipment, Part 1....Dec. 1365
- Coal and Ash Handling Equipment, Part 2....Jan. 1536
- Coal and Ash Handling Equipment, Part 3....Feb. 1706
- Coal and Ash Handling Equipment, Part 4....Mar. 1850
- Mechanical Stokers, Part 1....Sept. 835
- Mechanical Stokers, Part 2....Oct. 992
- Principles of Heat Absorption....Nov. 1186
- Standard Practice for Hand Firing....Aug. 709
- Use of Instruments The....July 560

Portable and Universal Instrument for Measuring the Flow of Fluids, A, Cornelius Weber....June 413

Principles of Belt Selection and Use, James B. McPherson....June 407

Proper Handling of Belts, The....March 1855

Saving Fuel by Controlling Chimney Losses, F. F. Uehling, Comb. E....Dec. 1367

Scientific Boiler Feed Water Regulation, Roland Moeller, M. E....Jan. 1548

Should a Pulley Be Made of Wood, Paper, Cast Iron or Steel? W. F. Schaphorst, M. E....Apr. 134

Standard Sizes for Shafting....June 434

Transmission Losses in Paper Mills....Dec. 1384

Useful Information for Power Plant Owners and Engineers, W. F. Schaphorst, M. E....Dec. 1379

Water Pumping System at Alton Mill....Aug. 722

MISCELLANEOUS

Activity of Forest Products Laboratory, D. Clark Everest....Nov. 1211

Automatic Control of Humidity in Shop....Jan. 1569

Automatic Regulation of Relative Humidity....July 553

Business Conditions and the Paper Manufacturer, David R. Forgan....Nov. 1199

College Course in Paper and Pulp Making....Aug. 740

Comparative Value of Timber Cut from Live and Dead Trees....Sept. 872

Constructive Salesmanship, Rev. George Craig Stewart, D. D....Oct. 983

Felt Foes, B. Denver Coppage....Dec. 1395

Financial Situation in This Country, The, Harry E. Merrick....Oct. 988

How to Eliminate Condensation in the Paper Mill, H. F. Smith, C. E....Feb. 1835

Hustling Papermaker, The, M. M. Kiley....Sept. 842

Ideas Under a Bushel, W. F. Schaphorst, M. E....July 580

Light Creosote Oils in Wood Preservation....Sept. 872

INDEX TO VOLUME TWO, THE PAPER INDUSTRY

MISCELLANEOUS (Continued)

Maintenance of Law and Order the Prerequisite of Civilization, Judge Charles S. Cutting.....Nov. 1179
Manufacturers and Transportation, Samuel M. Felton .....Dec. 1364
Mechanical Standards, Report of Canadian Committee .....March 1856
My Name Is Paper, Pendleton Beckley.....Oct. 963

Newsprint Production Chart.....Feb. 1729
Ninth Annual Conference of Hammermill Agents....Sept. 844

Of the Making of Paper, There Is No End.....April 129

Production and Consumption for Year 1921, George Olmstead.....Nov. 1190

Recovery of Fibers from City Rubbish.....April 132

Scientific Salesmanship, Harry Newman Tolles.....Jan. 1533
Some Problems of the Felt Manufacturer, E. N. Huyck .....June 409

Testing Tearing Strength, Armen Elmendorf, M. E...July 576
Testing Tearing Strength, A Comment.....Aug. 736
Testing Tearing Strength, S. W.....Dec. 1393
Transportation Situation, The, Samuel O. Dunn.....Nov. 1202

Ventilation of Paper Mill Machine Rooms, H. S. Taylor .....Feb. 1699

When Will Paper Industry Advertise? C. H. Barr..,Mar. 1831
Will Paper Be Affected by Current Price Cutting in Luxuries?.....Oct. 1004

POEMS

Better Way, The, Walter A. Douglas.....Jan. 1542
Day's Work, The, Denver Republican.....Apr. 104
If I Knew You and You Knew Me—Anonymous.....Nov. 1147
Intelligence? R. L. S.....Aug. 694
Sunshine Poems, Paul Laurence Dunbar.....Feb. 1705
Sunshine Poems, Martha B. Thomas.....Feb. 1705
What Is the Good? R. L. S.....May 264
What the World Wants, Edgar A. Guest.....Sept. 846
Work, Angela Morgan.....June 380

PULPWOOD

American Conditions Deemed Unsuitable for Plant Fibre Paper.....Jan. 1567

Book Paper from Southern Pines and Gum, Sidney D. Wells.....Jan. 1527
Buying Pulpwood by Weight.....Jan. 1554

Decay in Pulpwood—Deterioration in Pulp, R. J Blair, Pathologist.....Apr 95

PULPWOOD (Continued)

Fire Prevention in Pulp Wood by Means of Artificial Fog, F. J. Hoxie.....Jan. 1521
Fire Protection of Log Piles, F. J. Hoxie.....May 251

Hardwood for Paper, Warren B. Bullock.....Sep. 851

Measurement of Pulpwood.....Dec. 1422

Paper from Veneer Waste.....Nov. 1198
Progress in Study of Wood and Wood Pulp Infection and Decay, Otto Kress.....Jan. 1543
Progress Report on the Study of Wood and Wood Pulp Infection and Decay, Otto Kress and C. J. Humphrey.....Aug. 691
Pulp Evaluation as Affected by the Fiber Ratio in the Test Sheets, C. L. Bachelder.....Jan. 1555
Pulpwood Conveyors and Pilers, E. R. Low.....Apr. 86

Reduce Pulpwood Decay by Proper Storage.....Feb. 1682

Storage of Pulp Wood and Wood Pulp, W. A. Munro.Sept. 841

What Is Dry Rot?.....July 592

Yellow Birch for Paper, Warren B. Bullock.....Apr. 138

SAFETY

Accident Records.....July 596
Acids and Caustics, National Safety Council.....Oct. 1003

Belts and Belt Guards, National Safety Council.....Aug. 717
Belt Shifters and Belt Shippers, National Safety Council .....July 585

Care for the Eyes.....Nov. 1246
Conveyor Hazards, National Safety Council.....Sept. 853

Drinking Water, Wash and Locker Rooms, and Toilet Facilities, National Safety Council.....Jan. 1551

Engine Guarding and Engine Stops, National Safety Council.....Mar. 1841
Exits and Fire Alarms, National Safety Council.....Apr. 98

Fire Drills, National Safety Council.....May 285
Fire Extinguishment, National Safety Council.....June 426

Gas Masks in Pulp and Paper Mills.....June 450

Making Wood Fire-Resistant with Paint.....June 419
Mechanical Overload Release, A.....June 452

National Safety Council's Automobile Course.....Dec. 1418
Non-Freezing Fire Extinguisher, A.....Aug. 724

Oiling Devices and Oilers, National Safety Council...Dec. 1385

Stairways to Crane Platforms.....May 298
